**Subject:** M6H1 – Harvey Response

Good morning,

I spoke with Todd this morning. I am working with TCEQ to check the operational status of WWTPs in areas affected by Harvey. There are about 40 plus facilities that I am assessing that are managed by Severn Trent. Attached is a spreadsheet with both the facility names and permit numbers I am inquiring about and the questions I am looking to have answered. If you would please fill out the spreadsheet in regards to the WWTPs and return to me as soon as possible, I would greatly appreciate it. Let me know if you have any questions.

I am currently working out of the Austin TCEQ office right now and I can be contacted at 512-239-3485 or by email at [young.nichole@epa.gov](mailto:young.nichole@epa.gov).

Thanks,
